KEY POINTS OF COLLECTION SERVICE

For additional information please contact Allied Waste at 636-947-5959.

Trash is offered once per week and includes yard waste and recycling. Allied provides a 90-gal trash cart, and a 65-gal recycle cart to the residents. Allied can deliver, exchange, repair and remove these carts. Additional carts and backdoor service are available at an additional charge to the customer.

CART PLACEMNT

See page 5 for cart use instructions

TRASH

Trash collection is limited to 90 gallon cart capacity. Additional items placed at the curb will not be collected except on your last collection day of the month when 2 additional items may be placed at the curb for collection which should be scheduled with Allied Waste.

RECYCLING

Recycling is limited to cart capacity which can be upgraded in size free of charge by contacting Allied Waste. See page 7 for single stream recycling guidelines. For electronics recycling please visit www.ecyclestlouis.org for more information.

St. Louis County offers additional waste and recycling services. Visit <http://www.stlouisco.com/HealthandWellness/RecyclingandSolidWaste> for more information.

SEMI-ANNUAL BULK PICK-UP

Free City wide bulk pick-up the 3rd full week of April and October, there is no limit on bulk items during these weeks. See page 6 for more information

CONSTRUCTION MATERIALS ARE NOT INCLUDED

If you have construction materials please contact Allied Waste to have the Route Supervisor give you an estimate for collection. There is a MINIMUM \$50 charge that needs to be prepaid with a debit/credit or payment mailed in prior to scheduling.

APPLIANCES:

Appliance collection is limited to 2 items on Tuesdays, Wednesdays and Fridays. The request must be called in at least 24 hours before the collection day and the \$25 pick up fee per appliance needs to be paid in advance. To schedule your collection please call Allied Waste at 636-947-5959.

HANDICAPPED SERVICE: Special consideration for handicapped residents is available for trash and recycle: however it requires a doctor's note. Allied will then pick up trash and recycle from the provided carts at the house but they must be visible from the street. Backdoor service is no longer available for handicapped pick up. If a resident must have or wants backdoor pick up it is an additional charge of \$232.20 per quarter. A doctor's note should be mailed to the local office. Please contact Allied Waste to set up handicap service.

CURBSIDE PLACEMENT AND CART USE INSTRUCTIONS

Place cart one foot from the curb or edge of the street.

Garbage should be bagged and tied, then deposited in your cart. This practice will keep your cart cleaner.

Please place your cart at least three feet from any tree, pole, fire hydrant, etc. and at least five feet away from any cars parked in the street so the automated arm can reach your cart.

- Do not overload the cart. If the lid is not closed, garbage will be subject to wind and nuisance animals.
- Please do not lean anything against the cart.
- The arrows on the lid of the cart should face toward the street; the handle should face toward your house.
- Your cart should be placed at the curb or edge of the street prior to 7 a.m. the day of collection.
- The emptied cart should be removed from the street the same day.
- The emptying of your cart is guaranteed ONLY if placed for collection on the correct day and time. Allied cannot be everywhere at 7 a.m., but they can be anywhere, and that may be in front of your house.
- Yard waste may NOT be placed in trash carts. State law requires that yard waste, which is compostable, not be mixed with garbage.
- Do not put dirt, sod or rock in the cart.
- Do not put flammable material such as oil, gas, paint, hot ashes or coals in carts.
- Do not put muriatic acid or other pool chemicals and supplies in carts. These can cause chemical reactions in your cart and in the collection trucks leading to fires and dangerous toxic fumes.
- Do not put debris from construction, remodeling or demolition in the cart.
- Please do not paint names or addresses on your cart. Each cart is the property of Allied Waste Services and has been embossed with a serial number. If a resident moves from their current address, the cart remains at the residence that matches its serial number in Allied's system.
- Your assistance in caring for the cart will help control operational costs and keep expenses to a minimum. We encourage you to rinse the container occasionally with a garden hose and mild detergent. Ammonia cleaners discourage animals. The practice of placing trash in garbage bags, then into your cart, will reduce the frequency of cleaning maintenance.

SPRING AND FALL BULK PICK-UP

Collection periods are the 3rd full week of October and April on your regular collection day.

Appliances are NOT accepted during this collection, see appliance collection procedure below.

All loose items must be bundled and not be longer than 4 feet in length.

Please do not mix yard waste or recycling with trash.

If you have items weighing more than 50 lbs or items that will require two people to handle please call Allied Waste at 636-947-5959 in advance so they can send appropriate man power and equipment.

The items you wish to be collected must be placed at the curb by at least 7:00 AM of your designated collection day.

Paint, fuel, oil, tires, construction waste and any hazardous material will NOT be collected.

If you have construction materials please contact Allied Waste to have the Route Supervisor give you an estimate for collection. There is a MINIMUM \$50 charge that needs to be prepaid with a debit/credit or payment mailed in prior to scheduling.

If you have any questions please call Allied Waste at 636-947-5959

Appliance Collection Procedure

Appliance collection is on Tuesdays, Wednesdays and Fridays. The request must be called in at least 24 hours before the collection day and the \$25 pick up fee per appliance needs to be paid in advance. To schedule your collection please call Allied Waste at 636-947-5959.

RESIDENTIAL RECYCLING

ALL RECYCLING MUST BE IN THE CART AND PLACED AT THE CURB BY 7:00AM OF YOUR COLLECTION DAY

The City of Olivette has been a leader in single family residence recycling for many years. As a result of the programs' success, residents can upgrade their recycling bins from 65 gallons to 90 gallons free of charge by calling Allied Waste at 636-947-5959. To receive more recycling information contact the: Public Works Department at 314-993-0252.

Materials Accepted:

- Aluminum Cans, Trays & Foil (must be cleaned)
- Aseptic Packaging & Gable Top Containers (cardboard milk & juice cartons)
- Steel Cans, Tins and empty aerosols
- Glass Bottles and Jars (clear, brown, green): NO window glass, dinnerware, ceramics or light bulbs.
- Newspaper, including inserts (remove plastic sleeves)
- Cardboard (no commercial grade waxed cardboard)
- Kraft (brown paper) Bags
- Magazines, Catalogs and Telephone Books,
- Computer Paper, Notebooks & Gift Wrap Paper (no metal clips, spirals, binders)
- Chipboard (cereal, cake, food, mix gift boxes etc.)
- Carrier Stock (soda & beer can carrying cases)
- Mail, Junk Mail & Envelopes (no plastic cards, stick on labels or unused stamps)
- Paper Back Books (no hard cover books)

Important Guidelines:

- All containers to be emptied and rinsed clean.
- No motor oil, insecticide, herbicide or hazardous chemical containers.
- No Plastic bags – please return to grocery or department store.
- No plastic film (no plastic sheets, tarps or wrap).
- No expanded foam or clear polystyrene per advisory from Region 5 US Environmental Protection Agency.

Alkaline batteries may be dropped off at any of the municipal buildings during regular business hours for recycling.

Plastics have an identifying code on the bottom of each container. Many other product containers can be recycled by utilizing the plastic identifying code.

 1 PET	Soda, Water, & Flavored Beverage Bottles (#1 clear and green plastic resin)
 2 HDPE	Milk & Juice Jugs, Detergent & Fabric Softener Containers (clear and colored plastic resin)
 3 V	Narrow Neck Containers such as: health & beauty aid products and household cleaners.
 4 LDPE	Grocery Containers such as: margarine tubs, frozen desert cups, six and twelve pack rings.
 5 PP	Grocery Containers such as: yogurt cups, and narrow neck syrup and ketchup bottles.
 6 PS	NOT RECYCLABLE – Polystyrene foam food service containers, grocery store meat trays, egg cartons, aspirin bottles, cups, plates and cutlery.
 7 OTHER	Plastic Buckets, such as kitty litter containers (5 gallon size maximum)

YARD WASTE COLLECTION

The City of Olivette weekly yard waste collection is designed to dispose of yard waste generated during routine yard maintenance.

Yard waste should be placed at the curb by 7:00AM Wednesday mornings in:

- Paper yard waste bags or,
- 20-35 gallon plastic or metal cans labeled with 'Yard Waste' or an 'X' or,
- Limbs 4 feet or less tied in a bundle that is less than 24 inches in diameter with rope

Any yard waste at the curb that meets the following conditions will **NOT** be collected.

- Limbs greater than 6 inches in diameter
- Bundles tied with wire
- Bundles tied with string that is not strong enough to withstand lifting
- Any container or bundle weighing more than 50 pounds
- Yard waste in: recycling bins, Allied provided trash or recycle carts, plastic bags, buckets, wheel barrows, torn bags, cans or bags with limbs sticking out.

PLEASE REFER TO THE CITY WEBSITE FOR THE LEAF VACUUMING COLLECTION SCHEDULE.
